

imageFORMULA DR-G2090 USB Service and Support

A true industry leader understands that reputations are earned one customer at a time, which is why Canon has at its foundation an uncompromising dedication to product reliability, service, and support. From cutting-edge technology to industry-leading response times, Canon U.S.A. takes pride in delivering complete customer satisfaction. Canon warranty and eCarePAK® extended service options have been created to help save costs associated with scanner maintenance, maximize uptime throughout the life of the product, and make you feel confident in your Canon scanning investment for years to come. You will be afforded the following benefits:

- Parts and labor coverage under all packages, to protect from unforeseen repair costs, and limit post-purchase expenses
- Prompt service, responsive to user needs
- Highly developed repair facilities, where product storage, maintenance, and exchange occurs, help ensures comprehensive management and upkeep of products
- Repairs performed by Canon-certified personnel using genuine Canon parts
- Quick turnaround for repairs
- 60 years of industry leadership and quality repairs

Canon U.S.A. also maintains a world-class 100% U.S.-based call center staffed with over 500 Canon employees. Through your toll-free telephone access, highly trained and experienced specialists stand ready to assist you. Committed to quick and easy resolution of all support issues, our specialists deliver industry-leading response times and quality support, and possess the knowledge to rectify scanner hardware issues.

The imageFORMULA DR-G2090 USB Scanner is bundled with 90-Day On-Site Warranty Service.

This provides you with a convenient and professional method of getting your product repaired. A service engineer (if required) will usually be dispatched the next business day. Parts, labor, and service engineer travel expenses are covered.

Service and Support

Canon eCarePAK Extended Service Plan is a cost-effective and easy-to-use program that provides service and support coverage beyond the initial warranty period at a very attractive price. eCarePAK Extended Service Plan offers toll-free Canon technical support and includes

On-Site Service. Protect against unforeseen repair costs and excessive downtime, and enjoy peace of mind for many years to come knowing your new equipment is covered. The initial eCarePAK Extended Service Plan must be purchased during your original scanner warranty period. Varied durations are available, including one-month to make existing coverage co-terminous, up to a minimum of five years total of coverage. Initial coverage becomes effective on the date the original warranty expires. Renewals are also available, and must be purchased during your eCarePAK Extended Service Plan coverage period.
